Aaahahaha little did you know Prof. Guzdial had famous brothers! =D
From left: Mark, Frank (the Tank), and Mario

As much as I appreciate the sentiment, this one doesn't meet the HW2 requirements -- the SAME image must show up at least four times, three times modified.

Mark Guzdial

I have 4 images and they have all been tempered in some way... Are you saying I need to modify each image three times, so I'll need 4x4(including original)=16 pictures up there?

No, not at all! One image must show up four times. Show as many other images only once each. Mark Guzdial
